I was feeling when I'm older  
He could love me just the same  
Papa say it again  
But now I feel it 'cause he's gone now  
Always thought that love could stay  
And now I'm waiting again  
And we may never know  
About the things we can't control

So, whoa, now turn your lights down low  
Whoa, for the ones you know  
Whoa, now turn your lights down low  
Whoa, for the ones you know  
For the ones you know, you know  
Gon be better in your soul, we know

And I know if he was here now  
He would never wanna see me cry  
I just can't hold back these tears now  
He is gone and I'm alone tonight  
And we may never know  
About the things we can't control

So, whoa, now turn your lights down low  
Whoa, for the ones you know  
Whoa, now turn your lights down low  
Whoa, for the ones you know  
For the ones you know, you know  
Gon be better in your soul, we know

And what could I find  
To get me off of my broken heart  
I never said good-bye  
Whoa Â–oh-oh-oh

And now I feel it cuz I'm older  
And now I feel it cuz he's gone

Whoa, now turn your lights down low  
Whoa, for the ones you know  
Whoa, now turn your lights down low  
Whoa, for the ones you know

Whoa, now turn your lights down low  
Whoa, for the ones you know  
Whoa, now turn your lights down low  
Whoa, for the ones you know  
For the ones you know, you know  
Gon be better in your soul, we know  
For the ones you know, you know  
Gon be better in your soul, we know  
For the ones you know, you know  
Turn your lights down low
