At the top of the mountain
At the top of the mountain
At the top of the mountain

At the top of the mountain
At the top of the mountain
At the top of the mountain

There is a special sensation
There is a special sensation
There is a special sensation
There is a special sensation
There is a special sensation

At the center of your body
At the center of your body
At the center of your body
At the center of your body
At the center of your body

And you can feel the earth moving underneath your
feet
And you can feel the earth moving underneath your
feet
And you can feel the earth moving underneath your
feet
And you can feel

In the deepest part of the ocean
In the deepest part of the ocean
In the deepest part of the ocean
In the deepest part of the ocean
In the deepest

There is a cruel and special place
There is a cruel and special place
There is a cruel and special place
There is a cruel and special place
There is a cruel

That is good for thinking
That is good for thinking

That is good for thinking
That is good for thinking
That is good for thinking
That is good

It happens to all of us at the same time
It happens to all of us at the same time
It happens to all of us at the same time
It happens to all of us

A feeling of the all-thing
A feeling of the all-thing
A feeling of the all-thing
A feeling of the all-thing
A feeling of the all-thing

A feeling of the all-thing
A feeling of the all-thing
A feeling of the all-thing
A feeling of the all-thing
A feeling of the all-thing

At the top of the mountain
At the top of the mountain
At the top of the mountain

At the top of the mountain
At the top of the mountain
At the top of the mountain

There is a special sensation
There is a special sensation
There is a special sensation
There is a special sensation
There is a special sensation

At the center of your body
At the center of your body
At the center of your body
At the center of your body
At the center of your body

And you can feel the earth moving underneath your
feet
And you can feel the earth moving underneath your
feet
And you can feel the earth moving underneath your
feet
And you can feel

In the deepest part of the ocean

In the deepest part of the ocean
In the deepest part of the ocean
In the deepest part of the ocean
In the deepest

There is a cruel and special place
There is a cruel and special place
There is a cruel and special place
There is a cruel and special place
There is a cruel

That is good for thinking
That is good for thinking
That is good for thinking
That is good for thinking
That is good for thinking
That is good

It happens to all of us at the same time
It happens to all of us at the same time
It happens to all of us at the same time
It happens to all of us

A feeling of the all-thing
A feeling of the all-thing
A feeling of the all-thing
A feeling of the all-thing
A feeling of the all-thing

A feeling of the all-thing
A feeling of the all-thing
A feeling of the all-thing
A feeling of the all-thing
A feeling of the all-thing
