Hey, there  
You shake my heart up like a spray can  
And when they ask me, I say, no, man  
I ain't affected at all

'Cause baby, I gotta play it coola  
You know I ain't nobody's fool na  
You know I ain't a fool at all

Love, love, love my graffiti boy, yeah  
I love, love, love my graffiti boy, yeah  
Love, love, love my graffiti boy, my graffiti boy  
My graffiti boy, yeah

I'm a loser  
But I got my dancin' boots on  
And if you feel like havin' some fun  
Well I'm ready when you are

'Cause sometimes, I need a little bit of sunshine  
I think, I think it would be so fine  
You write my name up on the wall

Love, love, love my graffiti boy, yeah  
I love, love, love my graffiti boy, yeah  
Love, love, love my graffiti boy, my graffiti boy  
My graffiti boy, yeah

Out on the street, everything's sweet  
Ah my love will go high and higher  
Where are you now? Under my feet  
Yeah, and I'm gonna walk through fire

Swear on my heart, I know where you've been  
But I'm still comin' out to get you  
I knew from the start, that you were the man  
From the very first day I met you

Lover rock  
Don't stop  
Lover rock  
Don't stop

Lover rock  
Don't stop  
Lover rock  
Don't stop

Love, love, love my graffiti boy, yeah  
Love, love, love my graffiti boy, yeah  
Love, love, love my graffiti boy, yeah

I love, love, love my graffiti boy, yeah  
Love, love, love my graffiti boy  
My graffiti boy, my graffiti boy, yeah
