Strong black coffee
On my record machine
You say I'm crazy
Yeah, I know what you mean

I kick and spit like a snake
I'm dreaming when I'm awake
I'm no one's baby so what's it to you?

You say I'm lazy
All my heroes are dead
You need my lovin'
Like a shot to the head

But when you kiss me
I know, you better not let me go
Although my heart's singin' Hallelujah

Run, baby, run, I'm your setting sun
Hear my sigh, home, honey, I'm high, home, honey, I'm
high

I can't walk straight
And my hair is a mess
So what you thinkin'?
I don't know let me guess

You're gonna show me the way
Well, if you're ready to play
You better know how to hold on tight yeah

Run, baby, run, I'm your setting sun
Hear my sigh, home, honey, I'm high, home, honey, I'm
high
Run baby run, I'm your setting sun
Hello, goodbye, home, honey, I'm high, home, honey,
I'm high

Run, baby, run, I'm your setting sun
Hear my sigh, home, honey, I'm high, home, honey, I'm
high
Run baby run, I'm your setting sun

Hello, goodbye, home, honey, I'm high, home, honey,
I'm high
