Hot lips, hot lips
Hot lips, hot lips
Shake your voodoo, baby

Hot lips, hot lips
Hot lips, hot lips
Shake your voodoo, baby

Ow, you make me wanna call the doctor
You're a new disease and I think I got you
Ow, you make me wanna call the doctor, baby

Kiss me, save me 'cause my heart is crashin'
Like being cool is goin' out of fashion
Ow, you make me wanna tear my hair out, baby

Hot lips, hot lips
Hot lips, hot lips
Shake your voodoo, baby

Hot lips, hot lips
Hot lips, hot lips
Shake your voodoo, baby

Ow, you make me wanna call the doctor
You're a new disease and I think I got you
Ow, you make me wanna call the doctor, baby

Kiss me, save me 'cause my heart is crashin'
Like being cool is goin' out of fashion
Ow, you make me wanna tear my hair out, baby

Love ain't a nose bleed, it's totally evil
You make my heart speed like evil ken evil

Ow, you make me wanna call the doctor
You're a new disease and I think I got you
Ow, you make me wanna call the doctor, baby

Kiss me, save me 'cause my heart is crashin'
Like being cool is goin' out of fashion
Ow, you make me wanna tear my hair out, baby
