Put on your hat psychic cat  
Tell us the news as we cruise

Where do you go? When we blow  
You look so fine, who do you know?

Lost on 3rd street promenade  
Lost on 3rd street promenade

Even flow from head to toe  
Where's it at psychic cat

Sky's so blue, so don't be sad  
'Cause we love you psychic cat

Lost on 3rd street promenade  
Lost on 3rd street promenade

Psychic cat, psychic cat  
Psychic cat

Lost on 3rd street promenade  
Lost on 3rd street promenade

Lost on 3rd street promenade  
Lost on 3rd street promenade
