A poisoned culture □ Based on lies, war & deceit  
Slaughterhouse philosophy □ Cruel butchers are hard  
to beat

The law of the game □ Is the law of the bloody blade  
Dictated by lunacy □ It's the fall death serenade

[Bridge:]

War □ As the essence of a painful life  
Decay □ The stream of death agony will ride

[Chorus:]

Hate □ Hate is my fuel  
The mob is just tool  
Hate □ Hate is my fuel  
I'm the lord of misrule

Death brings us together as one □ The feel to be  
second to none  
Shameful should be the gluttonous □ What makes a  
real genius?  
Erases all the treasures □ Wipes out all fame, affluence  
and wealth  
Recognize the afterlife freedom □ Won't be based on  
stealth

[Bridge:]

War □ As the essence of a painful life  
Decay □ The stream of death agony will ride

[Chorus:]

Hate □ Hate is my fuel  
The mob is just tool  
Hate □ Hate is my fuel  
I'm the lord of misrule

Insanity □ We do rape, wreck and then □ We search for  
an excuse  
Decay □ We all gonna rot, we're all the same on the  
final cruise  
Modesty □ Is so hard to find, is this a curse □ Is this  
real?

Consistency ☐ Is a gift of life, education is the deal

[Chorus:]

Hate ☐ Hate is my fuel

The mob is just tool

Hate ☐ Hate is my fuel

I'm the lord of misrule
