A poisoned culture - Based on lies, war & deceit
Slaughterhouse philosophy - Cruel butchers are hard to beat

The law of the game - Is the law of the bloody blade
Dictated by lunacy - It's the fail death serenade

[Bridge:]

War - As the essence of a painful life
Decay - The stream of death agony will ride

[Chorus:]

Hate - Hate is my fuel
The mob is just tool
Hate - Hate is my fuel
I'm the lord of misrule

Death brings us together as one - The feel to be second to none

Shameful should be the gluttonous - What makes a real genius?

Erases all the treasures - Wipes out all fame, affluence and wealth

Recognize the afterlife freedom - Won't be based on stealth

[Bridge:]

War - As the essence of a painful life
Decay - The stream of death agony will ride

[Chorus:]

Hate - Hate is my fuel
The mob is just tool
Hate - Hate is my fuel
I'm the lord of misrule

Insanity - We do rape, wreck and then - We search for an excuse

Decay - We all gonna rot, we're all the same on the final cruise

Modesty - Is so hard to find, is this a curse - Is this real?

Consistency - Is a gift of life, education is the deal

[Chorus:]
Hate - Hate is my fuel
The mob is just tool
Hate - Hate is my fuel
I'm the lord of misrule
