On the razor's edge I kneel all this can't be real  
Every soul stands for a death!  
Where are my illusions all those fake conclusions  
Will this now be my last breath?

Like a slow motion flick ☐ but this fear ain't a trick  
My live is rushing through my eye!  
Panic grabs my mind ☐ Now the daily grind  
Seems unreal I can't deny!

[Bridge:]

Rich man ☐ Poor man ☐ Beggar man ☐ Thief  
In the face of death ☐ They all start to believe

[Chorus:]

Sorcerer of Black Magic ☐  
Preacher of an unseen god  
Sorcerer of Doom ☐  
Make you pray for your decay  
Sorcerer of Black Magic

When time is up  
☐ There's no more need for a clock  
To late to fucking justify!  
This fatal vortex now shows the final round  
My regrets I can't deny!

I had too many challenges  
☐ Broke down all the fences  
When time was right I did fail!  
Wealth is an earthly chance  
☐ Dance the final dance  
Dark forces will prevail!

[Bridge]

[Chorus]

Master of Sadism King of Hedonism  
On judgement day we are all the same!  
Evil spirit crying all mankind is dying

No hope for the lost souls

[Bridge]

[Chorus]

Sorcerer of Black Magic □ There's no escape

Sorcerer of Black Magic □ And no control

Sorcerer of Black Magic fond belief

Sorcerer of Black Magic □ The bell tolls
