I already know, I already see  
You've already given away the big secret you keep  
It's that smile unmistakable smile, that you try but can't  
hide  
Now you know what it's like to be me

You've fallen, you're stallin'  
Your back's to the wall  
You're afraid to come clean  
Now you know what it's like to be me

Look into my eyes, baby can't you see  
I only get a couple of hours of sleep between dreams  
About you, yeah they're always about you  
I can tell your surprised, now you know what it's like to  
be me

You've fallen, you're stallin'  
Your back's to the wall  
You're afraid to come clean  
Now you know what it's like to be me

You're afraid, and I won't feel the same  
You think I don't know what it's like  
But that's just what it's like to be me

What it's like to be me  
You've fallen, you're stallin'  
Your back's to the wall  
You're afraid to come clean  
Now you know what it's like to be me

To be me, yeah  
What it's like to be me, oh yeah, oh  
To be me, what it's like to be me, to be me
