Strong, strong as a mountain
One you can count on
That's how my love is for you
Sure as forever, we'll be together

'Til the sky's no longer blue
I know it won't always be easy
When we need to be strong
Baby, believe me

I'll do whatever it takes
To hold on to your love
Swim every ocean
If that's not enough

Walk to the ends of the earth
Through the cold pouring rain
To hold on to your love
I'll do whatever it takes

Brave, I'm not that brave
But there's not a day
I wouldn't take on the world for you
And fight, baby, I'd die

There's nothing I wouldn't go through
Just for you
My heart is eternally yours
Just to be in your arms is what I'm living for

I'll do whatever it takes
To hold on to your love
Swim every ocean
If that's not enough

Walk to the ends of the earth
Through the cold pouring rain
To hold on to your love
I'll do whatever it takes

I'll do whatever it takes
To hold on to your love

Swim every ocean
If that's not enough

Walk to the ends of the earth
Through the cold pouring rain
To hold on to your love
I'll do whatever it takes
