I ain't thinking 'bout tomorrow
I wanna live for today
I'm in love with the smile that's on my face
I'm not worried about the road ahead
Or what I've left behind
I just wanna be free like a butterfly

I don't care what we have in mind
I don't care cause I ain't trying to be
Anything but me
I don't care if I win or lose
If I could, I wouldn't choose to be
Anything but me
Anything but me

I know I'll never be perfect
And I ain't trying to be
I've had to learn the hard way
That that ain't me
I wanna live in the moment
Sometimes you don't need a plan
I'll take whatever life gives me
And I'll do the best I can

I don't care what they have in mind
I don't care cause I ain't trying to be
Anything but me
I don't care if I win or lose
If I could, I wouldn't choose to be
Anything but me
Anything but me

If the star that I've been wishing on
Should fall out of the sky
That don't been that I ain't gonna try

I don't care what they have in mind
I don't care cause I ain't trying to be
Anything but me
I don't care if I win or lose
If I could, I wouldn't choose to be
Anything but me

Anything but me
Anything but me
