'Cause I'll be there, in the back of your mind
From the day we met 'til you were making me cry
And it's just too bad, you're already had the best days
The best days of your life

Ain't it a shame?
A shame that every time you hear my name
Brought up in a casual conversation
You can't think straight

And ain't it sad?
You can forget about what we had
Take a look at her and do you like what you see?
Or do you wish it was me

'Cause I'll be there, in the back of your mind
From the day we met to the very last night
And it's just too bad, you've already had the best days
The best days of your life

And does she know?
Know about the times you used to hold me
Wrapped me in your arms and how you told me
I'd be the only one

I heard about
Yeah, someone told me once when you were out
She went a little crazy ran her mouth about me
Ain't jealousy funny?

'Cause I'll be there, in the back of your mind
From the day we met to the very last night
And it's just too bad, you've already had the best days
The best days of your life

... with me was a fairytale love
I was head-over-heals 'til you threw away us
And it's just too bad you've already had the best days
The best days of your life

I heard you're gonna got married
Have a nice little family

Live out my dreams with someone new
But, I've been told that a cheater
Is always a cheater
So I've got my pride, and she's got you...

'Cause I'll be there, in the back of your mind
From the day we met 'til you were making me cry
And it's just too bad, you've already had the best days
The best days of your life

Of your life
Oh, oh, yeah
You're gonna think of me
You're gonna think of me in your life
Oh, oh, yeah
It's a shame, it's a shame...
It's a shame, it's a shame
It's a shame, it's a shame
