I remember the way you made love to me
Like I was all you'd ever need
Did you change your mind?
Well I didn't change mine

Now here I am tryin' to make sense of it all
We were best friends now we don't even talk
You broke my heart
Ripped my world apart

Didn't you know how much I loved you?
Didn't you know how much I loved you baby?
I gave you everything, every part of me
Didn't you feel it when I touched you?
Didn't I rock you when I loved you baby?
Baby tell me
Didn't you know how much I loved you?

I can't get you outta my head
I still feel you in this bed
Left me all alone, couldn't be more gone
From fallin' apart to fightin' mad
Wanting you back to not givin' a damn
I felt it all
I've been to the wall
Didn't you know how much I loved you?
Didn't you know how much I loved you baby?
I gave you everything, every part of me
Didn't you feel it when I touched you?
Didn't I rock you when I loved you baby?
Baby tell me
Didn't you know how much I loved you?

One day justice will come and find you
And I'll be right there in your memory
To remind you

Didn't you know how much I loved you?
Didn't you know how much I loved you baby?
I gave you everything, every part of me
Didn't you feel it when I touched you?
Didn't I rock you when I loved you baby?

Baby tell me

Didn't you know how much I loved you?
Didn't you know how much I loved you baby?
Gave you everything, every part of me
Didn't you feel it when I touched you?
Didn't I rock you when I loved you baby?
Baby tell me
Gave you everything, every part of me
