sometimes i think about u and wonder if ur out there  
somewhere thinkin bout me cuz when i look in the  
mirror all i see r ur brown eyes looking back @ me have  
u even missed me though the years at all oh i hear the  
weathers nice in califoria their sunny skies as far as i  
see if u ever come back home 2 carolina i wonder what  
you'd say 2 me i think about how it anit fair that u  
werent there 2 brade my hair like mothers do u werent  
there 2 cheer me on help me dree 4 my high school  
prom like mothers do did u think i didnt need u here to  
hold my hand to dry my tears have u even missed me  
though the years at all oh i hear the nice the weathers  
nice in california their sunny skies as far as i can see if  
you ever come back home 2 carolina i wonder what  
you'd say 2 me Forgiveness is such a simple word but  
its so hard to do when you've been hurt oh i hear the  
weathers nice in california and just in case ur  
wondering about me from now on i wouldnt be in  
carolina your little girl is off your little girl is off your  
little girl is off to teeneesse
