Iâ€™ve felt the power of forgiveness
I know that life can let you down
Iâ€™m not blind
No, I donâ€™t need a witness
To tell me thereâ€™s angels all around

My eyes have seen more than they want to
My heart has scars that run so deep
Thereâ€™s tears that Iâ€™ve had to let go
And thereâ€™s dreams I told myself Iâ€™d keep

Now I donâ€™t give up easy
I have many miles to go
But I canâ€™t wait to get to
What I see down this road
And all my life Iâ€™ve learned to
Just take it day by day
Iâ€™m not there yet
But I know Iâ€™m on my way

Iâ€™ve looked out the window
When thereâ€™s no hope I sight
But I swear I heard a whisper
Said it would be worth the fight

So I woke up one morning
And I put my fears aside
Now look how far Iâ€™ve come
From the back of an endless line

Now I donâ€™t give up easy
I have many miles to go
But I canâ€™t wait to get to
What I see down this road
And all my life Iâ€™ve learned to
Just take it day by day
Iâ€™m not there yet
But I know Iâ€™m on my way

I still got lessons to be learned
Thereâ€™s a choice at every turn
Someone out there cleared a path

And there's no turnin back

And all my life I've learned to
Just take it day by day
I'm not there yet
But I know I'm on my way
I'm not there yet
But I know I'm on my way
Baby, I'm on my way
On my way
