Chorus:

Who is my mystery man?
He?s writing love letters because he can
Have I got myself an admirer?
Do I know him or is he a stranger?

I?m getting love letters from someone
I don?t know who, he keeps biting his tongue
If only he?d tell me who he were
We could get together, almost for sure

If this guy would tell me his name
Where he lives, or where from he came
It would work out for the both of us
Cos we?d both have someone, no need to fuss

Chorus:

Who is my mystery man?
He?s writing love letters because he can
Have I got myself an admirer?
Do I know him or is he a stranger?

If it didn?t work out between the two of us
We?d be alright, no great loss
Cos we?d just go back to life before
Being good friends, that is for sure

Chorus:

Who is my mystery man?
He?s writing love letters because he can
Have I got myself an admirer?
Do I know him or is he a stranger?

So why don?t he tell me, mystery man
Who he is, as much as he can
We could see how it pans out
And if it went wrong, we?d work it out

Chorus:

Who is my mystery man?
He?s writing love letters because he can

Have I got myself an admirer?
Do I know him or is he a stranger?
Who is my mystery man?
He?s writing love letters because he can
Have I got myself an admirer?
Do I know him or is he a stranger?

Who is he?
Who is he?
Please tell me
Please tell me?
