Baby we used to have somethin' special
But lately you've been ignorin' on the rules
If you think that I don't know what your doin'
You've been runnin' around and makin' me a fool

[Chorus]

Stop cheatin' on me
It ain't that hard to do
Stop cheatin' on me
Or I'll start cheatin' on you

Now dont think I will sink down to your level
I'm sure there's somewhere there's someone I can hold
I can make my own deal with the devil
And then you'll find out that hell can sure be cold

Stop cheatin' on me
It ain't that hard to do
Stop cheatin' on me
Or I'll start cheatin' on you

[Instrumental]

Stop cheatin' on me
It ain't that hard to do
Stop cheatin' on me
Or I'll start cheatin' on you
