Baby, we used to have something special But lately you've been ignorin' all the rules Well, you think that I don't know what you're doin' You've been runnin' around and makin' me a fool

Stop cheatin' on me It ain't that hard to do Stop cheatin' on me or I'll start cheatin' on you

Now don't think I won't sink down to your level I'm sure somewhere there's someone I can hold I can make my own deal with the devil And then you'll find out that hell can sure be cold

Stop cheatin' on me It ain't that hard to do Stop cheatin' on me or l'll start cheatin' on you

Stop cheatin' on me It ain't that hard to do Stop cheatin' on me or I'll start cheatin' on you
