Why am I so unwanted?
Do I really want to know?
You look at me and see
Something you're ashamed to show
Why do you stay with me?
Why don't you just let go? Yeah

Chorus:
You make me stay with you
But you treat me like
I'm not important to you
Why don't you let me live a life?
You coop me up in here
Feeling so unwelcome, so unwanted! Oh

I feel so all alone
When you leave me on my own
You don't let me see anyone
Except you, you, you!
You're over protective
Don't you trust me anymore? Cos

Chorus:
You make me stay with you
But you treat me like
I'm not important to you
Why don't you let me live a life?
You coop me up in here
Feeling so unwelcome, so unwanted! Oh

You lead my life
As well as yours
Why did I let myself in for this?
I should have known the scores
When you didn't let me go out without you! Why?

Chorus:
You make me stay with you
But you treat me like
I'm not important to you
Why don't you let me live a life?

You coop me up in here
Feeling so unwelcome, so unwanted! Oh
You make me stay with you
But you treat me like
I'm not important to you
Why don't you let me live a life?
You coop me up in here
Feeling so unwelcome, so unwanted! Oh
