Chorus:

He only wants me 50%
But I want him the whole 100%
I'd cry for him, die for him
Do anything for him
I'd even marry him or have his children

Oh, cos I thought we were getting on fine until
I caught him kissing another girl but oh,
I forgave him still cos I'm stuck on him
But he didn't seem bothered, either way

I just want things back
To how they were before
Now he don't need me but
I want him more and more

Chorus:

He only wants me 50%
But I want him the whole 100%
I'd cry for him, die for him
Do anything for him
I'd even marry him or have his children

Ye, cos I love him so much but he don't care
Or else he'd stay with me but no,
He has flings with other girls, I could
Finish with him but course I won't

Cos I want him so much
Can't he see it's true?
I will look out for him
Through and through

Chorus:

He only wants me 50%
But I want him the whole 100%
I'd cry for him, die for him
Do anything for him
I'd even marry him or have his children

I just want things back

To how they were before
Now he don't need me but
I want him more and more

Chorus:

He only wants me 50%
But I want him the whole 100%
I'd cry for him, die for him
Do anything for him
I'd even marry him or have his children
He only wants me 50% (50)
But I want him the whole 100% (100)
I'd cry for him, die for him
Do anything (anything for him)
I'd even marry him or have his children

Cos I still want him, oh
