Chorus:

I only need a one way road
I only need a two way street
I only need a three lane track
To get me close to you
I only need a one way road
I only need a two way street
I only need a three lane track
To get me close to you

What would you do
If there was no-one left except me and you
What would you do
If there was no-one left except me and you
What would you say
If I landed by your side
Would you love me again or would you take me for a
ride

(Instrumental)

I don't know
I don't know
What would you do
If there was only me and you
I'm not sure
I'm not sure
Would you love me like you did before

Chorus:

I only need a one way road
I only need a two way street
I only need a three lane track
To get me close to you
I only need a one way road
I only need a two way street
I only need a three lane track
To get me close to you

What would you do (What would you do)
What would you say (What would you say)
I don't know (I'm not sure)

I just don't know anymore

Chorus:

I only need a one way road
I only need a two way street
I only need a three lane track
To get me close to you
(yeah)
I only need a one way road (oh)
I only need a two way street (two way)
I only need a three lane track
To get me close (getting closer)
Get me close to you
