(And Nadine)
I walk to the disco place
Look at every ones face
The guys look
Pretty fine
I walk through the open door
Where every one shouts for more
Music (music, music)
To rock this place

[Chorus:]
I start dancin' to the funky beat
Every one watches me
The guys come over
To see me
They want to
Dance with me (dance with me)

I start feelin' pretty hot
Go outside to the parkin' lot
He comes and
Holds my hand
We walk back together
And dance for what feels like
Forever (forever, forever)
We rock this place

[Chorus:]
I start dancin' to the funky beat
Every one watches me
The guys come over
To see me (see me)
They want to
Dance with me (dance with me)

Now it's time to go home
My guy don't want to be
Left alone
He walks me to house
And then we find romance
Together (together, together)
We rock this place

[Chorus:]
I start dancin' to the funky beat
Every one watches me
The guys come over
To see me (see me)
They want to
Dance with me (dance with me)
I start dancin' to the funky beat
Every one watches me
The guys come over
To see me (see me)
They want to dance with me
Dance with me!
