My heart is pumping  
It's beating fast  
I can't believe it's happened  
Finally, at last

Theres somethin in me  
Makes me feel good  
I'm in a whole new world  
Maybe its luck

Chorus:  
The man of my dreams is here with me  
He has come to stay  
He's wrapped up in my arms I feel so good  
Oh he takes my breath away

I'm feelin happy  
I'm smilin  
I got my life in front of me  
Who knows what love will bring

Theres somethin in me  
Makes me feel good  
I'm in a whole new world  
Maybe its luck

Chorus:  
The man of my dreams is here with me  
He has come to stay  
Hes wrapped up in my arms I feel so good  
Oh he takes my breath away

I've sorted my life out  
And now im ready for action  
Cos i've got you with me  
And you're my biggest attraction (oh, ye, yeh, yeh)

My heart is pumping  
It's beating fast  
I cant believe its happened  
Finally, at last

Chorus:

The man of my dreams is here with me  
He has come to stay  
Hes wrapped up in my arms I feel so good  
Oh he takes my breath away

The man of my dreams is here (oh, yeah)  
He's come, to stay  
He's wrapped up, I feel good (yeah, yeh, yeh)  
Oh he takes my breath away  
Oh he takes my breath away  
Oh he takes my breath away
