You couldn't do it in person  
You had to text message break up  
You fuck up  
Oh my god I wanna throw up  
You couldn't even spell break right!  
B-r-a-k-e?  
That's in your car dummy!  
And I'm not gonna take this disgrace  
I'll be like mace in you face on my space  
Just you wait till you read the shit  
On you I'm gonna blog about  
You like text so much?  
How much you like it now?  
You can't text message break up! (x3)  
After 2 years?  
You can't text message break up! (x3)  
Get a clue  
I'll Go Alanis Morissette on you  
I'm gonna blog and text and post and hoax  
Podcast your bastard ass from coast to coast  
My ex bf is a cyber space coward  
And he plays with his asshole in the shower  
I gonna tell all my girlfriends how bad the sex was  
I'm pissed like president bush  
Would be in a gay parade in Texas  
I gonna spit until you shit  
If you don't like it you can lick my fucking clit  
For once  
You can't text message break up!  
Oh my god!  
You can't text message break up!  
I mean we got a dog!  
You can't text message break up!  
You still owe me 1, 200 dollars shit bag!  
You can't text message break up!  
String up a stag!  
You can't text message break up!  
I want all my stuff back!  
You can't text message break up!  
Get a clue  
No just let the clues be lost  
Fuck you dick

I can't believe he did that  
What a fucking douche bag why can't he figure it out  
What a loser I mean Jesus  
If you ever did that on the phone I would  
What? are you kidding me?  
You're never gonna get laid in this town again you  
loser!  
You're an ass  
Go fuck yourself you piece of shit  
I can't believe that crap  
I'm gonna send that guy a douche bag in the mail  
I'm gonna use the same weapon against you  
Cause I can type too  
Ex bf forever dick  
You're my ex bf forever dick
