Excuse Me?

Where do you think you're going in that?

You're going to march right up stairs,

that's what you're gonna do.

March it.

Is that tattoo?

Tattoos are from the devel.

Tattoos are from the devel.

The devel.

You're going to march right upâ€¦ ch-threya€¦

I'm so flustered.

You're gonna march it, woman.

March, march, march.

And change your clothes.

Is that a tattoo?

Tattoos are from devel.

You dont even know chinese!

Why are you wearing that?

You're watching too much of the HBO.

Too much HBO.

Jesus Chirst on a crutch.

If you go out looking like that.

They're gonna think you're a streetwalker.

A walker in the night.

They are wanna pay you for looking like that.

It's wrong and it's unclean.

You need to change that missy.

Boys just wanna get in your tutu.

Boys just wanna get in your tutu.

I thought I told you that.

They want in your tutu.

Now you march upstairs,

and you cover up that tutu.

They are gonna think youre a transvestite.

Were gonna be on Montell Williams, for cryie.

You better cover it up, missy.

I don't want to be on Montell.

You're gonna, you're gonna be be pregnant,

and that means I'm gonna be a grandmother.

And you know what, that will be the seat of the devel.

They want in your tutu.
They want in your tutu.
The devel.
