My alarm bell rings,  
I have to get up,  
Gotta do my hair and makeup.  
For that special someone who I like,  
His name starts with M, and ends with Y.  
He is MY guy, that's in my dreams,  
Just wish I could tell him what I mean.

Here comes the bus, I'm gonna be late,  
For the person who shares my fate.  
Here I go, all alone,  
In my throat, a sudden moan.  
Have to tell him how I feel, for what, to him I must  
reveal.

(Chorus)

Got to get up, gotta get going,  
It's going to be a bumpy ride.  
Gotta grab my bag, get off my feet,  
Gotta listen to the music and jump to the beat.

I'm walking, not knowing  
What might occur. Pondering and thinking,  
Am I really sure?  
It's like I am stuck, i'm own foot steps  
Not know what (what) will happen next.

(Chorus)

Got to get up, gotta get going,  
It's going to be a bumpy ride.  
Gotta grab my bag, get off my feet,  
Gotta listen to the music and jump to the beat.

My guy is here, in front of me  
Were on the pier, and we are free.  
Just waiting for my question,  
Does he like me?

(Chorus)

Got to get up, gotta get going,  
It's going to be a bumpy ride.

Gotta grab my bag, get off my feet,  
Gotta listen to the music and jump to the beat.

Open the door,  
Let the sun come out,  
Cuz everything is going my way  
MakingÂ...todayÂ.....my day  
IÂ'm looking good, and feeling great  
Nothings going wrong ,and IÂ'm not alone.  
Hoping tomorrow will be like this, u and me and our  
French kiss

This I my way,  
My time to play,  
This is what I call an average day!
