4 bottles of beer last night
didn't know what to do wiht our selves
all we wanted was some more
instead we robbed a convenient store

Stole 100 dollars and some radios
saw some cameras in the store
so we tried to drill a hole in the floor
at that moment we knew we were fucked
so we robbed a ups truck

Mr. ups man was chasing us far
me and kait we jsut not up 2 par
had no clue how 2 drive
hopped out of the car to fun adn hide

chorus:
Its friday night jsut another day
friends being friends
thats ll i can say

we were bored & we wanted 2 have fun
so we decieded " lets get drunk"

Its friday night were on the street
its time to get somethign to drink
but now our heads are between our feet

these problems we have jsut seem to go away
with some coke and rum
our fears just seem to wash away

Chorus:

looking from the outside into a puppy store
saw a boy looking out onto the road
he took a glance at us & laughed real hard
4 what he saw were 2 drunk little retards.

chorus:
(laughing in the background)
