What if I told you it was all meant to be  
Would you believe me  
Would you agree  
It's almost that feelin'  
We've met before  
So tell me that you don't think I'm crazy  
When I tell you love has come here now

A moment like this  
Some people wait a lifetime  
For a moment like this  
Some people search forever  
For that one special kiss  
Ohh, I can't believe it's happening to me  
Some people wait a lifetime  
For a moment like this

Everything changes  
But beauty remains  
Something so tender  
I can't explain  
Well I maybe dreamin'  
But 'till I awake  
Can we make this dream last forever  
And I'll cherish all the love we share

A moment like this  
Some people wait a lifetime  
For a moment like this  
Some people search forever  
For that one special kiss  
Ohh, I can't believe it's happening to me  
Some people wait a lifetime  
For a moment like this

Could this be the greatest love of all  
I wanna know that you will catch me when I fall  
So let me tell you this

Some people wait a lifetime

For a moment like this

Some people wait a lifetime  
For a moment like this  
Some people search forever  
For that one special kiss  
Ohh, I can't believe it's happening to me  
Some people wait a lifetime  
For a moment like this

Ohh!  
(A moment) Like this!

(A moment) Ohh!  
I can't believe it's happening to me!

Some people wait a lifetime  
For a moment like this

Ohh
