Oh, oh  
Oh, yeah

(Alexandre)  
Ven a mi dulce amor  
Ayudame a cambiar este destino  
Salvame  
Por favor que tengo el corazÃ³n  
Partido en dos

Dame mas, quiero mas  
De esa bendita forma  
En que me miras  
Solo tu, solo yo  
Caricias  
Que me roben la razÃ³n

Ã¡mame, acercate y amame  
Regalame de a poco tu calor  
Atrevete a mi amor  
No tengas miedo y solo amame  
Ahora y siempre  
Ã¡mame  
El mundo se inventa  
Para los dos  
No tiene la pasiÃ³n  
De explicaciÃ³n

(Kelly)  
When you're here  
Nothing's wrong  
It's natural  
'Cause we belong together  
This is it, there's no doubt  
I know it  
From the bottom of my heart  
I will live just like this  
Right by your side  
No matter what they tell me  
And it's in your sweet kiss  
How I know you are  
The greatest love of all

(Alexandre & Kelly)  
Love me now  
Come closer baby  
Love me now  
I wanna hear your voice  
Calling my name  
'Cause nothing feels the same  
When you're around me  
Love me now  
We're here together  
Love me now  
Tomorrow it will be  
A day too late  
I really need this love  
To change this fate

Oh, oh, oh  
Oooh  
Oh

Ohhh

Love me now  
Come closer baby  
Love me now  
I wanna hear your voice  
Calling my name  
'Cause nothing feels the same

Oh

Love me now  
We're here together  
Love me now  
Tomorrow it will be  
A day too late (oooh)  
I really need this love  
To change this fate

Yeah  
Oh, oh, oh

I'm close to you

Come closer  
Come closer, yeah

Ohhh

Amame
