Anytime you feel  
like you just cant hold on  
Just hold on to my love  
Ill help you be strong  
But youre so afraid to lose  
and baby I cant reach your heart  
I cant face this world  
thats keepin' us apart  
When I could be the one to show you  
everything you missed before  
Just hold on now, cause I could be the one to give you  
more  
Yes you know

Anytime you need love baby Im on your side (hey)  
Just let me be the one I can make it alright (I can make  
it alright)  
Anytime you need love baby you're in my heart  
I can make it alright

Now theres no way out  
And I cant help the way I feel  
Cuz' baby youre the fire and Ill be waitin' right here  
You know my love is real  
Baby yeah, yeah,yeah

Anytime you need love baby Im on your side  
You know  
Just let me be the one I can make it alright (I can make  
it alright)  
Anytime you need love baby  
you're in my heart  
I can make it alright  
Hey yeah, yeah, yeah, yeah, yeah, yeah

I'm on your side  
Let me be the one,  
let me be the one,  
let me be the one, alright

Anytime you need a love baby you're in my heart I can

make it alright, alright
