At last, my love has come long,
My lonely days are over,
And life is like a song

Ohhh, at last,
The skies above are blue,
My heart was wrapped up in clover,
The night I looked at you

I found a dream that I could speak to,
A dream that I can call my own,
I found a thrill, to press my cheek to,

A thrill that I have never known

Ohhh yeah yeah, you smile, you smile,
And then the spell was cast,
And here we are in heaven,
For you are mine at last!
