He drowns in his dreams, an exquisite extreme I know
He's as damned as he seems and more Heaven than a
heart could hold
And if I try to save him my whole world could cave in
It just ain't right, Lord, it just ain't right

Oh, and I don't know, I don't know what he's after
But he's so beautiful, he's such a beautiful disaster
And if I could hold on through the tears and the
laughter
Lord, would it be beautiful or just a beautiful disaster?

He's magic and myth, as strong as what I believe
And a tragedy with more damage than a soul should
see
But do I try to change him? So hard not to blame him
Hold me tight, baby, hold me tight

Oh, and I don't know, I don't know what he's after
But he's so beautiful, he's such a beautiful disaster
And if I could hold on through the tears and the
laughter
Would it be beautiful or just a beautiful disaster?

I'm longing for love and the logical but he's only happy
hysterical
I'm searching for some kind of miracle, waiting so
long, I've waited so long
He's soft to the touch but frayed at the ends he breaks
He's never enough and still he's more than I can take

Oh, and I don't know, I don't know what he's after
But he's so beautiful, he's such a beautiful disaster
And if I could hold on through the tears and the
laughter
Would it be beautiful or just a beautiful disaster?

He's beautiful, Lord, he's so beautiful
He's beautiful
