

## Kelly Clarkson "Catch My Breath"

Visit "[Catch My Breath](#)" on MotoLyrics.com

I don't want to be left behind  
Distance was a friend of mine  
Catching breath in a web of lies  
I've spent most of my life

Riding waves, playing acrobat  
Shadow boxing the other half  
Learning how to react  
I've spent most of my time

Catching my breath  
Letting it go  
Turning my cheek for the sake of the show  
Now that you know  
This is my life I won't be told what's supposed to be  
right

Catch my breath  
No one can hold me back  
I ain't got time for that  
Catch my breath  
Won't let em get me down!  
It's all so simple now

Addicted to the love I've found  
Heavy heart now a weightless cloud  
Making time for the ones that count  
I'll spend the rest of my time

Laughing hard with the windows down  
Leaving footprints all over town  
Keeping faith karma comes around  
I won't spend the rest of my life

Catching my breath  
Letting it go  
Turning my cheek for the sake of the show  
Now that you know  
This is my life I won't be told what's supposed to be  
right

Catch my breath

No one can hold me back  
I ain't got time for that  
Catch my breath  
Won't let em get me down  
It's all so simple now

You help me see the beauty in everything

Catching my breath  
Letting it go  
Turning my cheek for the sake of the show  
Now that you know  
This is my life I won't be told what's supposed to be  
right

Catching my breath  
Letting it go  
Turning my cheek for the sake of the show  
Now that you know  
This is my life I won't be told what's supposed to be  
right

Catch my breath  
No one can hold me back  
I ain't got time for that  
Catch my breath  
Won't let em get me down  
It's all so simple now  
It's all so simple now

Catching my breath  
Letting it go  
Turning my cheek for the sake of the show  
Now that you know  
This is my life I won't be told what's supposed to be  
right

Catch my breath  
No one can hold me back  
I ain't got time for that  
Catch my breath  
Won't let em get me down  
It's all so simple now  
It's all so simple now
