I don't wanna be left behind
Distance was a friend of mine
Catching breath in a web of lies
I've spent most of my life
Riding waves, playing acrobat
Shadowboxing the other half
Learning how to react
I've spent most of my time

Catching my breath, letting it go, turning my cheek for
the sake of this show
Now that you know, this is my life, I won't be told what's
supposed to be right

Catch my breath, no one can hold me back, I ain't got
time for that
Catch my breath, won't let them let me down, it's all so
simple now

Addicted to the love I found
Heavy heart, now a weightless cloud
Making time for the ones that count
I'll spend the rest of my time
Laughing hard with the windows down
Leaving footprints all over town
Keeping faith, karma comes around
I will spend the rest of my life

Catching my breath, letting it go, turning my cheek for
the sake of this show
Now that you know, this is my life, I won't be told what's
supposed to be right

Catch my breath, no one can hold me back, I ain't got
time for that
Catch my breath, won't let them let me down, it's all so
simple now

You helped me see
The beauty in everything

Catching my breath, letting it go, turning my cheek for

the sake of this show
Now that you know, this is my life, I won't be told what's
supposed to be right

Catch my breath

Catch my breath, no one can hold me back, I ain't got
time for that
Catch my breath, won't let them let me down, it's all so
simple now
It's all so simple now

Catching my breath, letting it go, turning my cheek for
the sake of this show
Now that you know, this is my life, I won't be told what's
supposed to be right

Catch my breath, no one can hold me back, I ain't got
time for that
Catch my breath, won't let them let me down, it's all so
simple now
