### "Don't Ever Give Up On Me"

I know I break your heart  
With everything I'm not  
Don't ever give up on me  
Remember that we're strong  
And even as we fall  
Don't ever give up on me

These tears I'm holdin back  
Could turn my whole face black  
And I don't know if you'd love me  
If you saw me like that  
Would you?

Would you follow if I turned my back  
Could you love me through this broken glass  
I know I'm not who I was or where I need to be  
But don't ever give up on me  
Don't ever give up on me

My heart would turn to run  
But even when I'm gone  
Don't ever give up on me  
I'm tryin deep within  
If you could hold my hand  
Don't ever give up on me

This war I'm fightin havoc  
It turns me inside out and  
I don't know if you'd love me  
If you saw me right now  
Would you?

Would you follow if I turned my back  
Could you love me through this broken glass  
I know I'm not who I was or where I need to be  
But don't ever give up on me  
Don't ever give up on me

How do you?  
How do you?

Still believe in me  
Even when  
Even when  
All my colors bleed  
Holdin out  
Holdin out  
Will you love the rest of me

Would you follow if I turned my back  
Could you love me through this broken glass  
I know I'm not who I was or where I need to be  
But don't ever give up on me  
Don't ever give up on me
