I really hate to let this moment go,
Touching your skin and your hair falling slow,
When your goodbye kiss, feels like this,

Don't you wanna stay here a little while?
Don't you wanna hold each other tight?
Don't you wanna fall asleep with me tonight?
Don't you wanna stay here a little while?
We can make forever feel this way,
Don't you wanna stay?

Let's take it slow I don't want to move too fast,
I don't wanna just make love, I wanna make love last,
When you're up this high, it's a sad goodbye,

Oh yeahhh,

Oh you feel so perfect baby,
Yeah it feels so perfect baby,

Don't you wanna stay here a little while,

Don't you wanna stay here a little while?
Don't you wanna to hold each other tight?
Don't you wanna fall asleep with me to night?
Don't you wanna stay here a little while?
We can make forever feel this way,
Don't you stay?

Yeah yeah yeahhh,
Yeah yeah yeahhh
