I got caught in between
I just let love win
I'm not prod of you
But I can't change what I feel

I believed in you
You took care of me
Were you faking all this time?
Why did you leave?

Now I'm numb,
I can barely breath

CHORUS:
You couldn't resist me
So scared
You had to leave me
Empty as I am

Face your demons
I'm here to stay
Please don't leave me
Empty as I am

I feel so stupid

So betrayed
I gave you my trust
And this is how you pay

You think I won't fight for this
I'll do what it takes
I'm willing to give up my life
Just to have one more kiss

Now I'm empty
I can barely feel

CHORUS:
You couldn't resist me
So scared
You had to leave me

Empty as I am

Face your demons
I'm here to stay
Please don't leave me
Empty as I am
