Oh, sweetheart put the bottle down  
You've got too much talent  
I see you through those bloodshot eyes  
There's a cure, you've found it

Slow motion sparks, you've caught that chill  
Now don't deny it  
But boys will be boys, oh, yes they will  
They don't wanna define it

Just give up the game and get into me  
If you're looking for thrills then get cold feet

Oh, no I do not hook up, up I go slow  
So if you want me I don't come cheap  
Keep your hand in my hand  
And your heart on your sleeve

Oh, no I do not hook up, up I fall deep  
'Cause the more that you try  
The harder I'll fight  
To say goodnight

I can't cook, no, but I can clean  
Up the mess she left  
Lay your head down and feel the beat  
As I kiss your forehead

This may not last but this is now  
So love the one you're with  
You wanna chase but you're chasin' your tail  
A quick fix won't ever get you well

Oh, no I do not hook up, up I go slow  
So if you want me I don't come cheap  
Keep your hand in my hand  
And your heart on your sleeve

Oh, no I do not hook up, up I fall deep  
'Cause the more that you try  
The harder I'll fight  
To say

'Cause I feel the distance between us  
Could be over with the snap of your finger, oh, no

Oh, no I do not hook up, up I go slow  
So if you want me I don't come cheap  
Keep your hand in my hand  
And your heart on your sleeve

Oh, no I do not hook up, up I fall deep  
'Cause the more that you try  
The harder I'll fight  
To say

'Cause the more that you try  
The harder I'll fight  
To say goodnight

Oh, sweetheart put the bottle down  
'Cause you don't wanna miss out
