Oh sweetheart put the bottle down  
You got too much talent  
I see you through those bloodshot eyes  
There's a cure you found it  
Slow motion sparks  
You caught that chill  
Now don't deny it  
But boys will be boys  
Oh yes they will  
They don't wanna define it  
Just don't deny it

Just give up the game and get into me  
If you're looking for thrills then get get cold feet...

Oh no I do not hook up up  
I go slow  
So if you want me  
I don't come cheap  
Keep your hand in my hand and your heart on your  
sleeve  
Oh no I do not hook up up  
I fall deep  
'Cause the more that you try  
The harder I'll fight  
To say....goodnight

I can't cook no but I can clean...  
Up the mess she left  
Lay your head down and feel the beats  
As I kiss your forehead  
This may not last but this is now  
So love the one you're with you want a chase  
But you're chasing your tail  
A quick fix won't ever get you well

Oh no I do not hook up up  
I go slow  
So if you want me  
I don't come cheap  
Keep your hand in my hand and your heart on your

sleeve  
Oh no I do not hook up up  
I fall deep  
'Cause the more that you try  
The harder I'll fight  
To say....goodnight

'Cause I feel  
The distance  
Between us  
Could be over  
With a snap of your finger

Oh no I do not hook up up  
I go slow  
So if you want me  
I don't come cheap  
Keep your hand in my hand and your heart on your  
sleeve  
Oh no I do not hook up up  
I fall deep  
'Cause the more that you try  
The harder I'll fight  
To say....goodnight

Oh sweetheart put the bottle down  
'Cause you don't wanna miss out
