It's the wrong time and the wrong place  
Though your face is charming, it's the wrong face  
It's not his face, but such a charming face  
That it's alright with me

It's the wrong song with the wrong style  
Though your smile is lovely, it's the wrong smile  
It's not his smile, but such a lovely smile  
That it's alright with me

You can't know how happy I am that we met  
I'm strangely attracted to you  
There's someone I'm trying so hard to forget  
Don't you wanna forget someone, too?

It's the wrong game with the wrong chips  
Though your lips are tempting, they're the wrong lips  
They're not his lips, but they're such tempting lips  
That it's all right with me

It's the wrong time and the wrong place  
Though your face is charming, it's the wrong face  
It's not his face, but such a charming face  
That it's alright with me

It's the wrong song with the wrong style  
Though your smile is lovely, it's the wrong smile  
It's not his smile, but a lovely smile  
That it's alright with me

You can not know how happy I am we met  
I'm strangely attracted to you  
There's someone I'm trying so hard to forget  
Don't you wanna forget someone, too?

It's the wrong game and the wrong chips  
Though your lips are tempting, it's the wrong lips  
They're not his lips, but such tempting lips  
That it's all right with me

And it's all right, it's all right

It's all right with me
