Roll over baby  
The time has come  
To make a little bit more room  
Iâ€™ve hung around you  
Itâ€™s getting tough  
I think Iâ€™m gonna break down soon  
Cuz I remember  
Crying in the park  
It was getting dark  
Suddenly I looked up  
You were my sky

So go on  
And sleep darlin  
Why donâ€™t you pretend we were just a dream  
Itâ€™s cool baby  
It doesnâ€™t matter anyway  
Well Iâ€™m so sorry  
We got to the station a little too late  
Such a shame  
We just missed the train  
We just missed the train

Be quiet angel  
Donâ€™t make a sound  
Save it for a rainy day  
Oh canâ€™t you see me  
Iâ€™m such a mess  
Trying hard to find my way  
Do you remember wasting all the time  
We were feeling fine  
Though we couldn't walk a line,  
We were all right

So go on

And sleep darlin  
Why donâ€™t you pretend we were just a dream  
Itâ€™s cool baby  
It doesnâ€™t matter anyway  
Well Iâ€™m so sorry  
We got to the station a little too late

Such a shame  
We just missed the train

Oh why'd that train just pass us by  
Didn't anyone see we were stuck at the light  
And we would've made it on time

Yeah  
Yeah  
Yeah

So sleep darlin  
Why don't you pretend we were just a dream  
It's cool baby  
It doesn't matter anyway  
Well I'm so sorry  
We got to the station a little too late  
And sleep darlin  
Why don't you pretend we were just a dream  
It's cool baby  
It doesn't matter anyway  
Well I'm so sorry  
We got to the station a little too late  
Such a shame  
We just missed the train
