I've known about you for a while now
When he leaves me, he wears a smile now
As soon as he's away from me
In your arms is where he wants to be

But you're the one he rushes home to
You're the one he gave his name to
I'll never see his face in the early morning light
You have his mornings, his daytimes
And sometimes I have his nights

But does he love you
(Does he love you)
Like he loves me
(Like he loves me)

Does he think of you
(Does he think of you)
When he's holding me

And does he whisper
(Does he whisper)
All his fantasies

Does he love you
(Does he love you)
Like he's been loving me

But when he's with me
He says he needs me
And that he wants me
That he believes in me

And when I'm in his arms
Oh, he swears there's no one else
Is he deceiving me
Or am I deceiving myself

But does he love you
(Does he love you)
Like he loves me

(Like he loves me)

Does he think of you
(Does he think of you)
When he's holding me

And does he whisper
(Does he whisper)
All his fantasies

Does he love you
(Does he love you)
Like he's been loving me

Ooh, shouldn't I lose my temper
Ooh, shouldn't I be ashamed
~Cuz I have everything to lose
I have nothing to gain

But does he love you
(Does he love you)
Like he loves me
(Like he loves me)

Does he think of you
(Does he think of you)
When he's holding me

And does he whisper
(Does he whisper)
All his fantasies

Does he love you
(Does he love you)
Like he's been loving me
Ooh, does he love you?
