I had it all, but I let it slip away  
Couldn't see I treated you wrong  
Now I wander around, feeling down and cold  
Trying to believe that you're gone

Love takes time  
To heal when you're hurting so much  
Couldn't see that I was blind  
To let you go  
I can't escape the pain inside  
'Cause love takes time  
I don't wanna be here  
I don't wanna be here alone

You might say that it's over  
Oh, yeah  
You might say that you don't care  
Oh, you might say you don't miss me  
You don't need me  
But I know that you do  
And I feel that you do inside

Whoa, love takes time  
To heal when you're hurting so much  
Couldn't see that I, I was so blind  
To let you go  
I can't escape the pain inside  
'Cause love takes time  
I don't wanna be there  
I don't wanna be there, alone  
Ooooooh...
