If anyone asks
I'll tell them we both just moved on
When people all stare
I'll pretend that I don't hear them talk
Whenever I see you, I'll swallow my pride and bite my
tongue
Pretend I'm okay with it all
Act like there's nothing wrong

Is it over yet
Can I open my eyes?
Is this as hard as it gets
Is this what it feels like to really cry, cry

If anyone asks
I'll tell them we just grew apart
Yet what do I care
If they believe me or not

Whenever I feel your memory is breaking my heart
I'll pretend I'm okay with it all
Act like there's nothing wrong

Is it over yet
Can I open my eyes?
Is this as hard as it gets
Is this what it feels like to really cry, cry

I'm talking in circles
I'm lying, they know it
Why won't this just all go away?

Is it over yet
Can I open my eyes?
Is this as hard as it gets
Is this what it feels like to really cry, cry, cry
