Miss independent
Miss self sufficient
Miss keep your distance hmm
Miss un-afraid
Miss out of my way
Miss don't let a man interfere no
Miss on her own
Miss almost grown
Miss never let a man help her off her throne
So by keepin her heart protected she'd never ever feel
rejected
Little miss apprehensive
Said ooh she fell in love

What is this feelin takin over
Thinkin no one could open the door
Surprise it's time to feel what's real
What happened to miss independence
No longer need to be defensive
Goodbye old you
When love is true

Miss guarded heart
Miss play it smart
Miss if you wanna use that line you better not start no
But she miscalculated
She didn't wanna end up jaded
And this miss decided not to miss out on true love
So by changin her misconceptions she went in a new
direction
And found inside she felt a connection
She fell in love

What is this feelin takin over
Thinkin no one could open the door
Surprise it's time to feel what's real
What happened to miss independece
No longer need to be defensive
Goodbye old you
When love is true
When love is true

When miss independence walked away
No time for love that came her way
She looked in the mirror and thought today what
happened to miss no longer afraid
It took some time for her to see how beautiful love
could truly be
No more talk of why can't that be me
I'm so glad I finally see

What is this feelin takin over
Thinkin no one could open the door
Surprise it's time to feel what's real
What happened to miss independence
No longer need to be defensive
Goodbye old you
When love is true
