Miss Independent
Miss Self-sufficient
Miss keep your distance, mmm...
Miss on her own
Miss almost grown
Miss never let a man, help her off her throne
So, by keeping her heart protected
She'll never ever feel rejected
Little miss apprehensive
She said, ooh she fell in love

What is this feelin' takin' over?
Thinkin' no one could open the door
Surprise
It's time
To feel what's real

What happened to miss independent?
No longer to feel defensive
Goodbye old you
When love is true

Oooh...

Miss guarded heart
Miss players smart
Miss if you wanna use that line, you betta not start
But she miscalculated
she didnt want to end up jaded
and this miss decided not to miss out on true love

when miss independent walked away
no more time for her to feel this way
she looked in the mirror and said...

What is the feelin' takin' over?
Thinkin' no one could open the door
Surprise (surprise) it's time
To feel (to feel) what's real

What happened to miss independent?

No longer to feel defensive
Goodbye! old you
When love is true

ohhhhhh....

Miss independent
Miss self-sufficient
Miss keep your distance, no
Miss on her own
Miss almost grown
Miss never let a man help her off her throne
So, by keeping her heart protected
She'd never ever feel rejected
Little miss apprehensive
Said ooh she fell in love

What is the feelin' takin' over?
Thinkin' no one could open the door
Surprise
It's time
To feel what's real

What happened to miss independent?
No more the need for me to miss him
Goodby
