Do you remember me? I sat upon your knee  
I wrote to you with childhood fantasies  
Well, I'm all grown up now and still need help somehow  
I'm not a child but my heart still can dream

So here's my lifelong wish  
My grown up Christmas list  
Not for myself  
But for a world in need

No more lives torn apart  
That wars would never start  
And time would heal all hearts

And everyone would have a friend  
And right would always win  
And love would never end, no  
This is my grown up Christmas list

As children we believe  
The grandest sight to see  
Was something lovely  
Wrapped beneath a tree

But heaven only knows  
That packages and bows  
Can never heal a heart ached human soul  
No more lives torn apart  
That wars would never start  
And time would heal all hearts

And everyone would have a friend  
And right would always win  
And love would never end, no  
This is my grown up Christmas list

What is this illusion  
Called the innocence of youth  
Maybe only in our blind belief  
Can we ever find the truth

No more lives torn apart

(No more torn apart)  
That wars would never start  
(Never start)  
And time would heal all hearts  
(Oh, hearts)

Everyone would have a friend  
(One would have a friend)  
And right would always win  
(Would always win)  
And love would never end  
(Never, never end, no)

This is my grown up Christmas list  
This is my only lifelong wish  
This is my grown up Christmas list
