There is so much life I've left to live  
And this fire's burning still  
What would happen if they ever knew  
I'm in love with you

Cause I'd surrender everything  
To feel the chance to live again  
I reach to you  
I know you can feel it too  
I surrender

Every night getting longer  
And this fire is getting stronger baby  
I'll swallow my pride and I'll be alive  
Did you hear my call  
I surrender all

(Cause I'd surrender everything)  
(To feel the chance to live again)  
I reach to you,  
I know you can feel it too  
I surrender
