[Kelly]

I can not find away
to describe it. Its there
inside all I do is hide it. I'm
not sure why I feel this way
but I have had enough. So please
just come and

[Chours: Both]

Take me away from the pain
all the thoughts I have of you.
Take me away from all the love I
used to have for you oh oh ohx2
Take me away.

[Kalan]

This feeling inside just
won't go away. sometimes
I just feel like falling down
cause all this pain is too much
to carry oh....

[Chours: Both]

Take me away from the pain
all the thoughts I have of you.
Take me away from all the love I

used to have for you oh oh ohx2
Take me away.

[Kelly]

I just wanna be taken away
ohhh Just take take me away
from the pain I have of you.
oh just take me away all the
love... I used to have for you...
TAKE ME AWAY .

[Kalan]

I wanna be
I wanna be
alone. Just take me away

[Chorus: Both]
Take me away from the pain
all the thoughts I have of you.
Take me away from all the love I
used to have for you oh oh ohx2
Take me away.
[Repeat till fade]
